# Mobile Catering Concession Opportunity

## Hurst Park Open Space

---

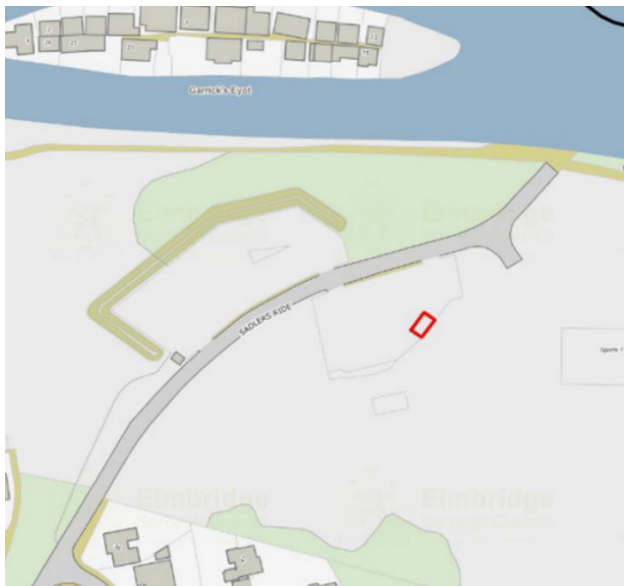

Applications are invited from mobile caterers who wish to be considered for an opportunity to trade at a pitch at Hurst Park Open Space.

### Address

Hurst Park Open Space, Sadlers Ride, West Molesey, KT8 1TW.

### Site information

This is a popular and busy site. We would expect the trader to be familiar with the location and seasonal footfall; each applicant should rely on their own research into likely trading profits, as no guarantees as to custom can be made by the council.

### Licence:

We are offering an initial short-term licence (6 months) which can be extended up to 5 years if the trading is successful.

## Information required from applicant:

Applicants should offer a rent in '£ per annum' – the guide licence fee is £6,000 to £10,000 per annum but all offers will be considered.

Please include the following information in your proposal:

- Outline the type of facility that will be provided, including:
  - type of catering provision (food/drinks).
  - type and size of the vehicle.
  - details of litter control and recycling proposals.
  - details on how the vehicle is powered (no electricity on site).
  - details of intended hours of use, days, and seasons of operation (Hurst Park is open between the hours of dawn and dusk).
  - food hygiene certificate if available.
  - Public Liability insurance (up to £5 million) will be required, please confirm this is acceptable.
  - details of existing business operation, if available.
  - 'Green' credentials in line with Council policies are important and will be assessed accordingly - including power source, noise and smell pollution, recycling plans.
  - inclusion of healthy/fresh food options is preferred but all options considered.

## How to submit your offer:

Applications via email to: [cateringgreenspaces@elmbridge.gov.uk](mailto:cateringgreenspaces@elmbridge.gov.uk)

## Deadline to apply:

12 July 2024.

**Please note:** This opportunity is not open to ice cream vendors as we already have an operator on site.
