
Household Support Phase 5 Policy 2024

- 1.1 In response to the Cost-of-living crisis the UK Government is funding a grant scheme known as the Household Support fund to help vulnerable households. Surrey County Council have been allocated additional funding as part of a fifth tranche of funding under the Household Support Scheme which provided a further £421 million to County Councils and Unitary Authorities in England. This tranche of funding needs to be spent by 30 September 2024.

Where in receipt of a qualifying disability benefit a household would receive one payment of £70.00. Care Leaver households under 2.2(II) will receive one payment of £50.00 with no qualifying disability benefit top up.

Payment to newly submitted bank details and any credits to council tax accounts will be made on or by the 9 August 2024 where details are held.
- 2.8 We will write to households who may be eligible. Where we have not contacted them before or do not hold payment information we will invite them to apply.

3. Payments

- 3.1 Included within the household support fund 4 payments in 2023 and 2024 the Council reserved the right to make payments using the information we had gathered during processing these payments to make future payment.
- 3.2 Eligible claimants who have not applied or provided any amended payment information by 31 July 2024 (24 July 2024 for amended payment information) will have payment made as per 3.3.
- 3.3 Where the household pass pre-payment checks and have a direct debit for payment of council tax collected from in 2024/25, we will look to automatically make payment to those bank details. Where we do not hold direct debit details we will look to automatically make payment to the payment information held per 3.1. Where payment information is not held and no application is made, but the claimant is liable for council tax we will look to credit the council tax account.
- 3.4 If payment is rejected by the bank, we will contact those affected to obtain bank details for further payment in August 2024. Where valid payment information is not obtained, but the claimant is liable for council tax we will look to credit the council tax account.
- 3.5 Where the council has not been able to make payment (for example no valid bank details or council tax account held) the payment will be treated as ineligible.
- 3.6 Should funding of a similar nature become available from UK Government or Surrey County Council the Council also reserves the right to use the data from this scheme to make payments, subject to the Household meeting the relevant eligibility criteria.
