30 May 2024

Dear Ms Burns

Adam is on leave this week but has asked me to chase up on your response to the councillors' questions raised in his email to you of 2 May 2024 (at the foot of the covering email for ease) in which Liberal Democrat councillors are seeking clarification regarding local authority powers and the testing of waters.

He looks forward to receiving your reply to the points raised.

Yours sincerely

Anne Withers
PA to Chief Executive
