Centres for your Community

Elmbridge's Centres for the Community are here to support residents to live full and active lives with a range of health and social activities, as well as advice and information sessions and classes for those who want to learn new skills.

In this booklet you'll find all the regular activities held across our Centres, from art to Zumba! Whether you're looking get more active, start a new hobby or get some advice and support, there's something for everyone.

Activities at our Centres are open to anyone with a Centre membership, available to residents over 18. A £21 annual membership gives you access to everything that's on at our Centres. To sign up, simply pop into a Centre and speak to one of the team.

Many of our activities are free, but some require a small charge to cover the cost of the tutor or trainer.

Want to get involved in your local community? We have a range of volunteering opportunities too, from brewing cuppas in a tea bar to tending a community garden or delivering Meals on Wheels. You can find details on all our volunteer roles on our website:

elmbridge.gov.uk/css/volunteer.

The Centres also hold seasonal events from special lunches to advice sessions from local organisations. You can find a list of upcoming special events at the back of this booklet. Need another copy? Download one from your Centre's webpage at

If you'd like to volunteer your time and skills to your community, we'd love to hear from you! Call us on **01372 474 552** or email: commsservices@elmbridge.gov.uk
