Dear Trudi,

### Elmbridge Local Plan

Thank you for your response to my letter dated 8 November 2024, regarding the draft Elmbridge Local Plan and my request for you to review our proposal for an extension to the Local Plan EiP timetable; allowing Elmbridge Borough Council to undertake the additional work required to rectify the issues of soundness.

The intention of my letter was in no way to undermine the appointed Planning Inspector, who I know is very experienced, and her work to date.

We are awaiting a response from Matthew Pennycook MP in respect of our proposed timetable. Once received, we will continue to constructively engage with the Planning Inspector.

As requested, we will publish your letter dated 14 November 2024, on our website together with this correspondence.

Yours sincerely,

Councillor Simon Waugh.
