Dear Ms Masters,

### **Examination of the Elmbridge Local Plan**

I write further to my letter of 23 October 2024 where I set out that the Council was requesting a review by the Minister of State. The Council has now received a response from the Minister and disappointingly the Minister has decided not to review the decision to not allow the Council 12 months to complete the additional work.

In light of the Minister's decision and referring to the two options set out in your letter dated 18 October 2024, the Council are minded to proceed to withdraw the Plan from Examination. In line with the Council's Constitution the final decision on the withdrawal of the Plan has to be made by Cabinet and then Council. As such officers will be taking this item to Cabinet on 5 February 2025 and Council on 26 February 2025.

We will inform you of the outcome following these meetings.

Yours sincerely
