## Amendments to Consent Schedule

Amendments to the operational schedule to a street trading consent may be considered, however an administration fee is applicable.

An application for changes must be applied for in advance, and approval cannot be guaranteed.

The cost of varying a consent or its conditions will be calculated on an hourly rate, with the fee being based on the length of officer time required to consider and administer the requested variation.

£65 payable on application (Additional time charged as appropriate at £65 per hour).

**\*Notes:** The council will accept payment by credit/debit card (by phone or in person) or cheque payable to “Elmbridge Borough Council”.

Applications for annual Consents must be accompanied by the correct fee. The fee consists of two parts. Part 1 a non-refundable application fee and Part 2 the issuing fee for the licence. The application fee must be paid before the application is considered. If the application is successful, the issue fee (Part 2) will be required to be paid before the consent is issued.
